Merillat products are ANSI A161.1 certified, the industry standard for quality in cabinet manufacturing. In addition, we are certified for eco-consciousness by the Safe and Sustainable Cabinetry (SASC) program.

- A Drawer Box:** ½" thick engineered wood with side-mounted ¾-extension guides
- B Hinges:** 6-way adjustment with soft-close functionality
- C Cabinet Sides:** ¾" thick engineered wood with laminated interior and exterior for easier cleaning
- D Shelves:** ¾" thick engineered wood with laminated surfaces for durability
- E I-Beam:** ½" thick engineered wood for a square cabinet and easier installation

*Standard construction features listed.

Construction options to enhance.

Dovetail Drawers:

Strong, beautiful, and silent. Elevate your everyday and choose the decorative quality and performance of dovetail drawers with full-extension, soft-close undermount guides.

Plywood End Panels:

Add strength to your cabinets with ½" thick furniture-grade plywood sides. Includes dovetail drawers.

All-Plywood Construction:

Upgrade to maximum durability and strength with all-plywood construction. Includes plywood end panels and dovetail drawers.

Let's get it done. Beautifully.
Inspiration. Trends. Tools. Tips. Support. And everything you need.

THE **MERILLAT** WAY™

CERTIFIED TO ANSI A161.1
